Then there's 6 months, 3 months, 1 month

and oh, now there's 2 weeks left and you haven't started studying... What happens next is a panic-induced mayhem of highlighting everything in the textbook (without even questioning if it's actually helpful). But I'm here to help you change this! In The Only Study Guide You'll Ever Need, I'll cover a range of different topics including: · How to get started and pick up that pen · Learning techniques that actually work (hello, science of memory!) · The dos and don'ts of timetabling · And combatting fear of failure, perfectionism, exam stress and so much more! As a

fellow student now at university, I definitely don't have a PhD in Exam Etiquette but this is the book younger me needed. All I wanted was one place that had a variety of tried-and-tested methods with reassurance from someone who had recently been through the education system. The Only Study Guide You'll Ever Need is just that, and I have collected the best techniques and tools I wish I'd known earlier to help you get through your studies and smash your exams! Smart Edition
credible? A. 100%
yes, which can't be
said for most TASC
study guides. Our
founder has been
publishing test prep
study guides for
over 20 years
mastering the art of
making great study
guides. We only

We don't mess
around when it
comes to preparing

for the TASC.Q.
Has it helped other
students and will it
help me pass the
test? A. You bet, we
help over 30,000
students per year
prepare for and
dominate the TASC
to the best of their
ability. Our reviews
speak for
themselves.Q. Why
should I buy the
Smart Edition book
instead of any other
options, how are
you different? A.
It's pretty simple,
you get better
quality material
that is more
accurate to what is
on the actual test
and way more
online resources
and tools for your
money. Feel free to
study from a
different study

Make sure any practice test workbook you buy checks off these items: Material that accurately represents what's actually on the test
□ Video lessons for every skill and lesson in the book
□ Practice tests both in the book and online
□ Flashcards online for every subject
Features: 1. 4 Practice tests containing 1,300 realistic questions and explanations
Practice and repetition are one of the best ways to become more familiar with the material and the test itself. You can take the tests online as many times as you like. 2. Scored practice test report At the end of your online test, you receive a

scored report with your score for each section and a breakdown of your strengths and weaknesses. This is crucial to know when deciding how to approach studying for the test. If you can identify your weak areas then you will know where you need to focus your studying, the time this saves you is invaluable. 3. Online video lessons You'll have access to over 100 video lessons covering every topic and lesson on the test. People like to learn in different ways, it's likely you would benefit from having both chapters in print as well as a video lesson to talk you through it. 4. Online flashcards

for every subject with over 400 flashcards
Flashcards are essential to reinforce what you are learning, it's safe to say you won't find any other study guides that include online flashcards.

Amazing! You made it all the way to the end of this product description. So what are you waiting for? If needed go back to the top and re-read the part about you walking out of the test with a big smile on your face after passing. It's your day, it's your time, let's do this.
