The Monsters of Templeton Nov 30 2019 "The day I returned to Templeton steeped in disgrace, the fifty-foot corpse of a monster surfaced in Lake Glimmerglass." So begins The Monsters of Templeton, a novel spanning two centuries: part a contemporary story of a girl's search for her father, part historical novel, and part ghost story. In the wake of a disastrous love affair with her older, married archaeology professor at Stanford, brilliant Wilhelmina Cooper arrives back at the doorstep of her hippie mother-turned-born-again-Christian's house in Templeton, NY, a storybook town her ancestors founded that sits on the shores of Lake Glimmerglass. Upon her arrival, a prehistoric monster surfaces in the lake bringing a feeding frenzy to the quiet town, and Willie learns she has a mystery father her mother kept secret Willie's entire life. The beautiful, broody Willie is told that the key to her biological father's identity lies somewhere in her family's history, so she buries herself in the research of her twisted family tree and finds more than she bargained for

as a chorus of voices from the town's past -- some sinister, all fascinating -- rise up around her to tell their side of the story. In the end, dark secrets come to light, past and present day are blurred, and old mysteries are finally put to rest. *The Monsters of Templeton* is a fresh, virtuoso performance that has placed Lauren Groff among the best writers of today.

The Art of Eloquence Sep 28 2019 "During his lifetime, Rev. Dr. Gardner C. Taylor was hailed by TIME magazine as the dean of America's black preachers. Newsweek honored him as one of the 12 greatest preachers in the English-speaking world. A civil rights leader, a Presidential Medal of Honor recipient, and a longtime pastor, Taylor was called "the poet laureate of American Protestantism." In this critical volume, scholar and pastor Joseph Evans analyzes the art of Taylor's preaching according to the five classical canons of rhetoric, celebrating in particular his excellence in narrative eloquence, which was the heart of his persuasive proclamation. Through a close reading of Taylor's sermons and careful scholarship in the discipline of rhetoric, Evans provides homileticians and rhetoricians alike with an incisive and accessible understanding of the oratorical brilliance of the man whose eloquence transcended theological boundaries and sociopolitical and cultural constructs"--

A Partridge and a Pregnancy Oct 22 2021 There are a lot of places I'd rather spend Christmas Eve morning than on a cold, snowy sidewalk outside someone else's home. Our one-night reunion was only supposed to be a hookup. A fling with an old lover. A parting farewell before I moved to London and put my feelings for him an ocean away. How exactly am I supposed to explain that to Tobias that I'm having a baby? His baby? Maybe I could sing it. He always loved the silly songs I made up in the shower. Three French hens, two turtle doves. And a partridge and a pregnancy.
