History of Delaware: General history Aug 19 2019

Deception Aug 31 2020 "Kellerman doesn't just write psychological thrillers—he owns the genre."—Detroit Free Press Her name is Elise Freeman, and her chilling cry for help comes too late to save her. On a DVD found near her lifeless body, the emotionally and physically battered woman chronicles a long ordeal of abuse at the hands of three sadistic tormentors. But even more shocking is the revelation that the offenders, like their victim, are teachers at one of L.A.'s most prestigious prep schools. Homicide detective Milo Sturgis is assigned to probe the hallowed halls of Windsor Prep Academy, and if ever he could use Dr. Alex Delaware's psychological prowess, it's now. As the scandal-conscious elite close ranks around Windsor Prep, Alex and Milo push to expose the dirty secrets

festering among society's manor-born. But while searching for predators among the privileged, Alex and Milo may be walking into a highly polished death trap. **BONUS:** This edition contains an excerpt from Jonathan Kellerman's *Victims*. "Jonathan Kellerman's novels are an obsession; once started it is hard to quit."—Orlando Sentinel "The combination of Alex Delaware and Detective Milo Sturgis make for the most original whodunit duo since Watson and Holmes."—Forbes

Rage Jan 24 2020 **NEW YORK TIMES BESTSELLER** Troy Turner and Rand Duchay were barely teenagers when they murdered a younger child. While Troy died violently behind bars, the hulking, slow-witted Rand managed to survive his stretch. Now, at age twenty-one, he's emerged a haunted, rootless man with a pressing need: to talk—once again—with psychologist Alex Delaware. But when Rand's life comes to a brutal end, his words die with him. LAPD homicide detective Milo Sturgis suspects that either karma or revenge caught up with Rand, but Delaware's suspicions run darker. As Delaware and Sturgis retrace their steps through a grisly murder case that devastated a community, they discover madness, suicide, and even uglier truths waiting to be unearthed. And the nearer they come to understanding an unspeakable crime, the more harrowingly close they get to unmasking a monster hiding in plain sight. **BONUS:** This edition contains an excerpt from Jonathan Kellerman's *Guilt*.

Breakdown Jul 10 2021 **NEW YORK TIMES BESTSELLER** • Jonathan Kellerman has been universally hailed as the master of psychological suspense, and the blockbuster new thriller featuring Alex Delaware and Milo Sturgis confirms his status as today's preeminent practitioner of saber-sharp storytelling. Psychologist Dr. Alex Delaware meets beautiful and emotionally fragile TV actress Zelda Chase when called upon to evaluate her five-year-old son, Ovid. Years later, Alex is unexpectedly reunited with Zelda when she is involuntarily committed after a bizarre psychotic episode. Shortly after Zelda's release, an already sad situation turns tragic when she is discovered dead on the grounds of a palatial Bel Air estate. Having experienced more than enough of L.A.'s dark side to recognize the scent of evil, Alex turns to his friend LAPD Lieutenant Milo Sturgis for help in finding out who ended Zelda's broken life. At the same time, Alex is caught up in another quest: the search for Zelda's missing son. And when other victims vanish from the same upscale neighborhood, worry turns to terror. As Alex struggles to piece together the brief rise and steep fall of a gorgeous, talented actress, he and Milo unveil shattered dreams, the corruption of a family, and a grotesque betrayal of innocence. With each devastating revelation and damning clue, Alex's brilliant mind is challenged as never before—and his determination grows to see a killer caged and the truth set free. Praise for *Breakdown* "This is a book you should not miss. . . . A master craftsman at the top of his game . . . one of his best to date."—Bookreporter "Gripping . . . an exhilarating masterclass in the art of plotting, suspense, characterization and brilliant mind games."—Blackpool Gazette Praise for Jonathan Kellerman "Jonathan Kellerman's psychology skills and dark imagination are a potent literary mix."—Los Angeles Times "Kellerman doesn't just write psychological thrillers—he owns the genre."—Detroit Free Press

Monster Oct 21 2019

Report Jun 28 2020

The Web Nov 14 2021 Psychologist-detective Dr. Alex Delaware finds terror in the heart of paradise in this relentlessly sinister novel by America's premier writer of psychological suspense. Three months in paradise, all expenses paid. It's an invitation Alex Delaware can't refuse. Dr. Woodrow Wilson Moreland, a revered scientist and philanthropist on the tiny Pacific island of Aruk, has invited Alex to his home to help him organize his papers for publication—a light workload leaving Alex plenty of time to enjoy a romantic interlude with Robin Castagna. Quickly, however, secretive houseguests, frightening nocturnal visitors, and the elusive Dr. Moreland himself dim the pleasures of deep blue water and white sand. The cases Moreland chooses to share—a patient driven to madness by a cruel, unspeakable act; a man who succumbed forty years ago to radiation poisoning after a nuclear blast; a young woman, brutally murdered, whose mutilated body was found on the beach just six months before—seem unconnected. And yet Alex can't help wondering what the good doctor is trying to tell him... and what Moreland's real reason for inviting him to Aruk is. As Alex probes—with a little long-distance help from his friend LAPD detective Milo Sturgis—he comes to believe the answer lies hidden somewhere on Moreland's vast estate. Yet when he finally discovers the truth, the revelation will be more shocking than he could have imagined. And it will come too late to stem the tide of violence that threatens guilty and innocent alike on the lovely lost island of Aruk. With his brilliant characterizations and rapid-fire pace, Jonathan Kellerman has redefined the boundaries of suspense, probing real-life horrors and innermost fears in a novel that transfixes from first page to last.

A Cold Heart Oct 01 2020 NEW YORK TIMES BESTSELLER LAPD homicide detective Milo Sturgis summons his friend psychologist-sleuth Alex Delaware to a trendy gallery where a promising young artist has been brutally garroted on the night of her first major showing. The details of the murder scene immediately suggest to Alex not an impulsive crime of passion but the meticulous and taunting modus operandi of a serial killer. “No one does psychological suspense as well as Jonathan Kellerman.”—Detroit Free Press Delaware’s suspicions are borne out when he and Milo find a link between the artist’s death and the murder of a noted blues guitarist. The twisting trail leads from halfway houses to palatial mansions, from a college campus to the last place Alex ever expected: the doorstep of his ex-lover Robin Castagna. As more killings are discovered, unraveling the maddening puzzle assumes a chilling new importance—stopping a vicious psychopath who’s made cold-blooded murder his chosen art form.

Serpentine Feb 05 2021 LAPD homicide lieutenant Milo Sturgis and brilliant psychologist Alex Delaware investigate a decades-unsolved case involving a rich and spoiled client, a mysterious birth mother and violent coincidences.

Guilt Dec 15 2021 NEW YORK TIMES BESTSELLER In an upscale L.A. neighborhood, a backyard renovation unearths an infant’s body, buried sixty years ago. Soon thereafter, in a nearby park, another disturbingly bizarre discovery is made not far from the body of a young woman shot in the head. Helping LAPD homicide detective Milo Sturgis to link these eerie incidents is brilliant psychologist Alex Delaware. But even the good doctor’s vast experience with matters both clinical and criminal might not be enough to cut down to the bone of this chilling case. Backtracking six decades into the past stirs up tales of a beautiful nurse with a mystery lover, a handsome, wealthy doctor who seems too good to be true, and a hospital with a notorious reputation—all of them long gone, along with any records of a newborn, and destined for anonymity. But the specter of fame rears its head when the case unexpectedly twists in the direction of the highest echelons of celebrity privilege. Entering this sheltered world, Alex little imagines the macabre layer just below the surface—a decadent quagmire of unholy rituals and grisly sacrifice. Don’t miss the excerpt of Jonathan Kellerman’s *Killer* in the back of the book! Praise for Jonathan Kellerman and *Guilt* “A solid, poignant tale of violence against the innocent . . . cool, brisk and polished.”—The Washington Post “Action-packed . . . Kellerman proves he can keep readers entertained and engrossed in a story that keeps them on the edge of their seats to the final page.”—Wichita Falls Times Record News “Certainly one of [Kellerman’s] best offerings to date . . . Do not miss this one.”—Bookreporter “Jonathan Kellerman’s psychology skills and dark imagination are a potent literary mix.”—Los Angeles Times “The combination of Alex Delaware [and] Detective Milo Sturgis . . . makes for the most original whodunit duo since Watson and Holmes.”—Forbes “Jonathan Kellerman’s novels are an obsession; once started it is hard to quit.”—Orlando Sentinel “Kellerman doesn’t just write psychological thrillers—he owns the genre.”—Detroit Free Press

Private Eyes Aug 11 2021 BONUS: This edition contains an excerpt from Jonathan Kellerman's *Guilt*. NEW YORK TIMES BESTSELLER The voice belongs to a woman, but Dr. Alex Delaware remembers a little girl. It is eleven years since seven-year-old Melissa Dickinson dialed the hospital help line for comfort—and found it in therapy with Alex Delaware. Now the lovely young heiress is desperately calling for the psychologist’s help once more. Only this time it looks like Melissa’s deepest childhood nightmare is really coming true. “A page-turner from beginning to end.”—Los Angeles Times Twenty years ago, Gina Dickinson, Melissa’s mother, suffered a grisly assault that left the budding actress irreparably scarred and emotionally crippled. Now her acid-wielding assailant is out of prison and back in L.A.—and Melissa is terrified that the monster has returned to hurt Gina again. But before Alex Delaware can even begin to soothe his former patient’s fears, Gina, a recluse for twenty years, disappears. And now, unless Delaware turns crack detective to uncover the truth, Gina Dickinson will be just one more victim of a cold fury that has already spawned madness . . . and murder.

Self-Defense Jan 04 2021 NEW YORK TIMES BESTSELLER Dr. Alex Delaware doesn’t see many private patients anymore, but the young woman called Lucy is an exception. So is her dream. Lucy Lowell is referred to Alex by Los Angeles police detective Milo Sturgis. A juror at the agonizing trial of a serial killer, Lucy survived the trauma only to be tormented by a recurring nightmare: a young child in the forest at night, watching a strange and furtive act. “Exciting . . . loaded with tension and packed with titillating insights.”—The New York Times

Book Review Now Lucy's dream is starting to disrupt her waking life, and Alex is concerned. The power of the dream, its grip on Lucy's emotions, suggests to him that it may be more than a nightmare. It may be the repressed childhood memory of something very real. Something like murder.

Early Friends Families of Upper Bucks, with Some Account of Their Descendants Nov 21 2019 Early Friends Families of Upper Bucks is a collection of genealogical and historical information pertaining to the first settlers of the upper part of Bucks County, Pennsylvania. Separate chapters are assigned to each family, and approximately 12,000 persons are named and identified. The genealogies commence with the first of the Bucks County line (usually during the period of the eighteenth century, but also earlier) and proceed, on average, through about eight generations.

Hard Lessons Dec 03 2020 Product Description: The billions of dollars expended in Iraq constitute the largest relief and reconstruction exercise in American history. SIGIR's lessons learned capping report characterizes this effort in four phases (pre-war to ORHA, CPA, post-CPA/Negroponte era, and Khalilzad, Crocker, and the Surge). From this history, SIGIR forwards a series of conclusions and recommendations for Congress to consider when organizing for the next post-conflict reconstruction situation. Over the past five years, the United States has provided nearly fifty billion dollars for the relief and reconstruction of Iraq. This unprecedented rebuilding program, implemented after the March 2003 invasion, was developed to restore Iraq's essential services, build Iraq's security forces, create a market-based economy, and establish a democratic government--all in pursuit of U.S. interests in a stable and free Iraq. Did the U.S. rebuilding program achieve its objectives? Was the money provided well-spent or wasted? What lessons have we learned from the experience? Hard Lessons: The Iraq Reconstruction Experience, a report from the Special Inspector General for Iraq Reconstruction (SIGIR), answers these and other important questions by presenting a comprehensive history of the U.S. program, chiefly derived from SIGIR's body of extensive oversight work in Iraq, hundreds of interviews with key figures involved with the reconstruction program, and thousands of documents evidencing the reconstruction work that was - or was not - done. The report examines the limited pre-war planning for reconstruction, the shift from a large infrastructure program to a more community-based one, and the success of the Surge in 2007 and beyond. Hard Lessons concludes that the U.S. government did not have the structure or resources in place to execute the mammoth relief and reconstruction plan it took on in 2003. The lessons learned from this experience create a basis for reviewing and reforming the U.S. approach to contingency relief and reconstruction operations.

When the Bough Breaks Nov 02 2020 In the first Alex Delaware novel, Dr. Morton Handler practiced a strange brand of psychiatry. Among his specialties were fraud, extortion, and sexual manipulation. Handler paid for his sins when he was brutally murdered in his luxurious Pacific Palisades apartment. The police have no leads, but they do have one possible witness: seven-year-old Melody Quinn. It's psychologist Dr. Alex Delaware's job to try to unlock the terrible secret buried in Melody's memory. But as the sinister shadows in the girl's mind begin to take shape, Alex discovers that the mystery touches a shocking incident in his own past. This connection is only the beginning, a single link in a forty-year-old conspiracy. And behind it lies an unspeakable evil that Alex Delaware must expose before it claims another innocent victim: Melody Quinn.

Obsession Jun 09 2021 #1 WASHINGTON POST BESTSELLER • "Jonathan Kellerman's novels are an obsession; once started it is hard to quit."—Orlando Sentinel Tanya Bigelow was a solemn little girl when Dr. Alex Delaware successfully treated her obsessive-compulsive symptoms. Now, at nineteen, Tanya returns with a curious request: that Delaware investigate her aunt's deathbed confession of murder. While Delaware doubts that Patty Bigelow was capable of such a horrific act, he agrees to look into the matter. Armed with only the vaguest details, Delaware and LAPD detective Milo Sturgis retrace Patty's and Tanya's nomadic and increasingly puzzling life. Then a very real murder tears open a terrifying tunnel into the past, where secrets—and bodies—are buried. As the tension mounts, Delaware and Sturgis uncover a tangled history of desperation, vengeance, and death—a legacy of evil that refuses to die. Praise for Obsession "The characters are rich, the story's well-plotted and you won't stop reading."—Boston Herald "Filled with Kellerman's psychological insight and action-packed drama."—Toronto Sun

The Plant Disease Bulletin Mar 26 2020

Compulsion Jan 16 2022 Once again, the depths of the criminal mind and the darkest side of a glittering city fuel #1 New York Times bestselling author Jonathan Kellerman's brilliant storytelling. And no one conducts a more harrowing and suspenseful manhunt than the modern Sherlock Holmes of the psyche, Dr. Alex Delaware. A tipsy

young woman seeking aid on a desolate highway disappears into the inky black night. A retired schoolteacher is stabbed to death in broad daylight. Two women are butchered after closing time in a small-town beauty parlor. These and other bizarre acts of cruelty and psychopathology are linked only by the killer's use of luxury vehicles and a baffling lack of motive. The ultimate whodunits, these crimes demand the attention of LAPD detective Milo Sturgis and his collaborator on the crime beat, psychologist Alex Delaware. What begins with a solitary bloodstain in a stolen sedan quickly spirals outward in odd and unexpected directions, leading Delaware and Sturgis from the well-heeled center of L.A. society to its desperate edges; across the paths of commodities brokers and transvestite hookers; and as far away as New York City, where the search thaws out a long-cold case and exposes a grotesque homicidal crusade. The killer proves to be a fleeting shape-shifter, defying identification, leaving behind dazed witnesses and death—and compelling Alex and Milo to confront the true face of murderous madness. **BONUS:** This edition contains an excerpt from Jonathan Kellerman's *Victims*.

Over the Edge Feb 17 2022 When the phone rings in the middle of the night, child psychologist Alex Delaware does not hesitate. Driving through the dream-lit San Fernando Valley, Alex rushes to Jamey Cadmus, the patient he had failed five years before—and who now calls with a bizarre cry for help. But by the time Alex reaches Canyon Oaks Psychiatric Hospital, Jamey is gone, surfacing a day later in the hands of the police, who believe Jamey is the infamous Lavender Slasher, a psychotic serial killer. Wooed by a high-powered attorney to build a defense, Alex will get a chance to do what he couldn't five years ago. And when he peers into a family's troubled history and Jamey's brilliant, tormented mind, the psychologist puts himself at the heart of a high-profile case. Because Alex knows that in a realm of money, loss, and madness, something terrible pushed Jamey over the edge—or else someone is getting away with murder.

Heartbreak Hotel Oct 25 2022 #1 NEW YORK TIMES BESTSELLER • Alex Delaware and LAPD detective Milo Sturgis investigate the death of Alex's most mysterious patient to date in the sensational new thriller from the master of suspense, #1 New York Times bestselling author Jonathan Kellerman. At nearly one hundred years old, Thalia Mars is a far cry from the patients that child psychologist Alex Delaware normally treats. But the charming, witty woman convinces Alex to meet with her in a suite at the Aventura, a luxury hotel with a checkered history. What Thalia wants from Alex are answers to unsettling questions—about guilt, patterns of criminal behavior, victim selection. When Alex asks the reason for her morbid fascination, Thalia promises to tell all during their next session. But when he shows up the following morning, he is met with silence: Thalia is dead in her room. When questions arise about how Thalia perished, Alex and homicide detective Milo Sturgis must peel back the layers of a fascinating but elusive woman's life and embark on one of the most baffling investigations either of them has ever experienced. For Thalia Mars is a victim like no other, an enigma who harbored nearly a century of secrets and whose life and death draw those around her into a vortex of violence. *Heartbreak Hotel* is classic Delaware and classic Kellerman. Praise for *Heartbreak Hotel* “Easy to dive into for mystery fans unfamiliar with the series, and a welcome treat for readers who have been with Officer Sturgis and Dr. Delaware since the beginning.”—Booklist Praise for Jonathan Kellerman “Jonathan Kellerman's psychology skills and dark imagination are a potent literary mix.”—Los Angeles Times “Kellerman doesn't just write psychological thrillers—he owns the genre.”—Detroit Free Press “A master of the psychological thriller.”—People

Delaware 24/7 Aug 23 2022 Following the success of *The New York Times* bestseller *America 24/7*, DK is publishing 50 books that showcase the best photographs from each state - all to be published on the same day. Each individual book includes 95% new photography and is a unique personal expression of state pride.

City of the Dead Jun 16 2019 NEW YORK TIMES BESTSELLER • The past comes back to haunt psychologist Alex Delaware and Detective Milo Sturgis when they investigate a grisly double homicide and uncover an even more unspeakable motive in this riveting thriller from the bestselling master of suspense. Los Angeles is a city of sunlight, celebrity, and possibility. The L.A. often experienced by Homicide Lt. Detective Milo Sturgis and psychologist Alex Delaware, is a city of the dead. Early one morning, the two of them find themselves in a neighborhood of pretty houses, pretty cars, and pretty people. The scene they encounter is anything but. A naked young man lies dead in the street, the apparent victim of a collision with a moving van hurtling through suburbia in the darkness. But any thoughts of accidental death vanish when a blood trail leads to a nearby home. Inside, a young woman lies butchered. The identity of the male victim and his role in the horror remain elusive, but that of the woman creates additional questions. And adding to the shock, Alex has met her while working a convoluted

child custody case. Cordelia Gannett was a self-styled internet influencer who'd gotten into legal troubles by palming herself off as a psychologist. Even after promising to desist, she's found a loophole and has continued her online career, aiming to amass clicks and ads by cyber-coaching and cyber-counseling people plagued with relationship issues. But upon closer examination, Alex and Milo discover that her own relationships are troublesome, including a tortured family history and a dubious personal past. Has that come back to haunt her in the worst way? Is the mystery man out in the street collateral damage or will he turn out to be the key to solving a grisly double homicide? As the psychologist and the detective explore L.A.'s meanest streets, they peel back layer after layer of secrets and encounter a savage, psychologically twisted, almost unthinkable motive for violence and bloodshed. This is classic Delaware: Alex, a man Milo has come to see as irreplaceable, at his most insightful and brilliant.

Can Delaware Be Dethroned? Jul 22 2022 Delaware is the state of incorporation for almost two-thirds of the Fortune 500 companies, as well as more than half of all companies listed on the New York Stock Exchange, NASDAQ, and other major stock exchanges. This gives Delaware a seemingly unchallengeable position as the dominant producer of US corporate law. In recent years, however, some observers have suggested that Delaware's competitive position is eroding. Other states have long tried to chip away at Delaware's position, and recent Delaware legal developments may have strengthened the case for incorporating outside Delaware. More important, however, the federal government increasingly is preempting corporate governance law. The contributors to this volume are leading academics and practitioners with decades of experience in Delaware corporate law. They bring together a variety of perspectives that collectively provide the reader with a broad understanding of how Delaware achieved its dominant position and the threats it faces.

Blood Test May 28 2020 It is a case unlike any psychologist Dr. Alex Delaware has ever encountered. Five-year-old Woody Swope is ill, but his parents refuse to agree to the one treatment that could save him. Alex sets out to convince Mr. and Mrs. Swope—only to find that the parents have left the hospital and taken their son with them. Worse, the sleazy motel where the Swopes were staying is empty—except for an ominous blood stain. They have vanished into the sordid shadows of the city. Now Alex and his friend, homicide detective Milo Sturgis, have no choice but to push the law to the breaking point. They are forced to enter an amoral underworld where drugs, dreams, and sex are all for sale and fantasies are fulfilled at any price—even at the cost of a young boy's life. Praise for Blood Test “A suspenseful thriller whose solution lies in the darker recesses of the human soul.”—The Wall Street Journal “Gripping . . . peopled with vivid characters . . . pulsing with suspense.”—The San Diego Union-Tribune “Establishes Jonathan Kellerman as a master of suspense.”—The Charlotte Observer Don't miss the excerpt of Jonathan Kellerman's Guilt in the back of the book!

Bones Jun 21 2022 When it comes to writing deftly layered, tightly coiled novels of suspense, #1 New York Times bestselling author Jonathan Kellerman reigns supreme as “master of the psychological thriller” (People). Kellerman has worked his magic again in this chilling masterpiece. The anonymous caller has an ominous tone and an unnerving message about something “real dead . . . buried in your marsh.” The eco-volunteer on the other end of the phone thinks it’s a prank, but when a young woman’s body turns up in L.A.’s Bird Marsh preserve no one’s laughing. And when the bones of more victims surface, homicide detective Milo Sturgis realizes the city’s under siege to an insidious killer. Milo’s first move: calling in psychologist Alex Delaware. The murdered women are prostitutes—except the most recent victim; a brilliant young musician from the East Coast, employed by a wealthy family to tutor a musical prodigy, Selena Bass seems out of place in the marsh’s grim tableau.

Conveniently—perhaps ominously—Selena’s blueblood employers are nowhere to be found, and their estate’s jittery caretaker raises hackles. But Milo’s instincts and Alex’s insight are too well-honed to settle for easy answers, even given the dark secrets in this troubled man’s past. Their investigation unearths disturbing layers—about victims, potential victims, and suspects alike—plunging even deeper into the murky marsh’s enigmatic depths. Bizarre details of the crimes suggest a devilish serial killer prowling L.A.’s gritty streets. But when a new murder deviates from the pattern, derailing a possible profile, Alex and Milo must look beyond the suspicion of madness and consider an even more sinister mind at work. Answers don’t come easy, but the darkest of drives and desires may fuel the most devious of foes. *Bones* is classic Kellerman—relentlessly peeling back the skin and psyches of its characters and revealing the shadows and sins of the souls beneath. With jolt after jolt of galvanizing suspense, it drives the reader through its twists and turns toward a climax as satisfying as it is shattering.

Evidence Sep 24 2022 Veteran homicide cop Milo Sturgis and psychologist Alex Delaware expose the shadowy side of glittering Los Angeles as they investigate the gruesome death of a young couple—murdered in flagrante—the man identified as a notorious womanizer and eco-friendly architect, the woman unidentified—in this unforgettable tale spiced with eco-terrorism, arson, blackmail, conspiracy, and a vendetta that runs deep.

Silent Partner Jul 30 2020 NEW YORK TIMES BESTSELLER At a party for a controversial Los Angeles sex therapist, Alex Delaware encounters a face from his own past—Sharon Ransom, an exquisite, alluring lover who left him abruptly more than a decade earlier. Sharon now hints that she desperately needs help, but Alex evades her. The next day she is dead, an apparent suicide. “A complex and haunting story of tangled personalities, deeply buried family secrets, and of violence lying thinly under the surface . . . hits the reader right between the eyes.”—Los Angeles Times Book Review Driven by guilt and sadness, Alex plunges into the maze of Sharon’s life—a journey that will take him through the pleasure palaces of California’s ultrarich, into the alleyways of the mind, where childhood terrors still hold sway.
