Unoffendable Bible Study Guide Plus

Streaming Video Jul 19 2021 "You can choose to be unoffendable." The statement stood out to Brant Hansen when he heard it at a business meeting. The speaker was actually saying that being offended is a choice that we make. Brant found the idea to be offensive. So, he did what any rational, fair-minded, spiritually mature person would do: He scoured the Bible for verses to destroy the argument. The only problem was that the more he searched, the more evidence he found that Christians should forfeit their right to be offended--and give up their right to be angry. When they do this, they make a sacrifice that is pleasing to God, practice humility, and become others-centered. Over time, Brant came to the realization that the idea of having "righteous anger" is just a myth. While we all will get angry at times--after all, we are human--we cannot hold on to it. And as it turns out, when we do release our anger and give up our "right" to be offended, we will find it to be one of the most freeing, healthy, simplifying, relaxing, refreshing, stress-relieving, encouraging things that we can do. In Unoffendable, a six-session video study based on the bestselling book, Brant shares insights from his journey and offers practical ways to live life with less stress and more care, including: (1) adjusting our expectations to fit human nature, (2) replacing perpetual anger with refreshing humility and gratitude, and (3) embracing forgiveness and beginning to love others in unexpected ways. This study lifts religious burdens from the participants' backs and allows them to experience the joy of gratitude, perhaps for the first time, every day

of their lives--flourishing the way God intended. From Your Head to Your Heart Bible Study Guide May 29 2022 ARE YOU BRAIN WASHED? This question has always had a negative connotation, but within this Bible Study Guide you will learn the importance of having your brain washed! Life is full of experiences that are stored in our brains that are a filter for how we see ourselves, the world we live in, our relationship with others, and most importantly how we see God! Scientists have discovered that we actually have two brains: the brain in our heads (the cranial brain-learn and remember), and the brain in our hearts (sense and feel). According to research, the brain in the head is connected to the brain in the heart. The two brains send messages to each other through thousands of neurons and tiny filaments, but the messages don't necessarily coincide. The Bible says in Proverbs 23:7 that as a man "thinks in his heart," so is he. So, the truth in God's Word needs to work its way down (18 inches) from the brain in our head to the brain in our heart so that we can experience its life changing power. Included with the Bible Study Guide is a welcome video which you can view on MariaDurso.com. This study has been designed for individual use as well as applying it to a Small Group. Maria Durso is living proof that if anyone is in Christ, he is a new creation (2 Corinthians 5:17). Having come from a childhood devastated by loss and abuse she grew up to thinking she could mask her pain with drugs. Her lifestyle could have left her hopeless and alone-yet God kept and preserved Maria's life. Understanding firsthand the effects of abandonment, loneliness and rejection, she ministers to those whose hurt lies deep in the heart and works to minister to those who need hope. Armed with discernment, insight into the true character of God, honest about her own experience, and down to earth, Maria is an intercessor, teacher and powerful speaker. In 1975, immediately following the first most important walk Maria would ever take down a church aisle Maria took her second most important walk down the aisle and married her life-long love, Michael Durso. God continues to open doors for her to minister in conferences, seminars and retreats. Connect with Maria Durso at www.mariadurso.com. This study has been designed for individual use as well as applying it to a Small Group. To assist you in your study, the Bible Study Guide includes questions entitled Thoughts from the Heart at the end of each lesson. These exercises will hopefully challenge you to study further and apply God's Word to your personal life. In addition, there are Questions for Small Group Discussion, which are formulated to get your Small Group talking about the key issues in each lesson. Let's start to take the eighteen-inch journey from your head down into the deep valley of your heart, so you can slay the giants that are defying God's promises and blocking your blessings!

Loving People Who Are Hard to Love Study Guide Mar 15 2021 In this companion study guide, learn to intentionally love the people in life that are more difficult to love with #1 New York Times bestselling author Joyce Meyer. We're never going to be able to prevent people from saying or doing things that hurt our feelings. We will always have opportunities to get offended. But if we do things God's way, we can choose to save ourselves a lot of misery and hardship. This doesn't mean we allow people to abuse us. No, there is a time for confronting people and dealing with situations. However, the Bible commands us to love our enemies and forgive those who have wronged us, even when it feels impossible. In this companion study guide to Loving People Who Are Hard to Love, Joyce Meyer teaches us that everything the Lord asks us to do in the Bible is ultimately for our good. In fact, when we choose to love our enemies and forgive those who have hurt us, we are actually helping ourselves more than anyone else. Because whatever the Lord commands us to do, He is going to give us the power of the Holy Spirit to accomplish it--and that includes loving and being good to difficult people! God's love flowing through us is strong enough to melt even the hardest hearts, so use kindness as a weapon to overcome the meanness in people.

Unoffendable Study Guide with DVD Jul 07 2020 "You can choose to be unoffendable." The statement stood out to Brant Hansen when he heard it at a business meeting. The speaker was actually saying that being offended is a choice that we make. Brant found the idea to be offensive. So, he did what any rational, fair-minded, spiritually mature person would do: He scoured the Bible for verses to destroy the argument. The only problem was that the more he searched, the more evidence he found that Christians should forfeit their right to be offended--and give up their right to be angry. When they do this, they make a sacrifice that is pleasing to God, practice humility, and become others-centered. Over time, Brant came to the realization that the idea of having "righteous anger" is just a myth. While we all will get angry at times--after all, we are human--we cannot hold on to it. And as it turns out, when we do release our anger and give up our "right" to be offended, we will find it to be one of the most freeing, healthy, simplifying, relaxing, refreshing, stress-relieving, encouraging things that we can do. In *Unoffendable*, a six-session video study based on the bestselling book, Brant shares insights from his journey and

offers practical ways to live life with less stress and more care, including: (1) adjusting our expectations to fit human nature, (2) replacing perpetual anger with refreshing humility and gratitude, and (3) embracing forgiveness and beginning to love others in unexpected ways. This study lifts religious burdens from the participants' backs and allows them to experience the joy of gratitude, perhaps for the first time, every day of their lives--flourishing the way God intended.
