Financial Accounting Jan 01 2020 *Management Accounting* has two broad branches *Financial Accounting* and *Cost Accounting*. This book covers the first aspect of *Management Accounting*. *Financial Accounting A Managerial Emphasis* seeks to delve deep into all the aspects of *Financial Accounting* from a manager's perspective. The objective is to present the concepts, applications and practices of *Financial Accounting* in such a manner that even those readers having no prior exposure to the subject can understand its theory and practice. A manager is more interested in understanding various elements in financial statements and thereby being able to analyze and interpret the financial health of a business entity on the basis of financial statements. This apart, readers will also become thoroughly acquainted with the financial disclosure practices followed in India. The highlights of the book are discussions on: | Accounting Standards in India | Understanding Published Financial Statements | Inventory Valuation and Depreciation Accounting | Cash Flow Reporting and Interpretation | Financial Statements Analysis | Intra-firm and Inter-firm Comparisons | Consolidated Financial Statements | Valuation Techniques | Accounting for Amalgamations | Selected Solved and Unsolved Cases New to the Second Edition | Financial Statements Analysis by Banks | Investment Accounting for Banks | Accounting for Share buyback | ESOP Accounting
