Left to Tell Jun 17 2021 Immaculee Ilibagiza grew up in a country she loved, surrounded by a family she cherished. But in 1994 her idyllic world was ripped apart as Rwanda descended into a bloody genocide. Immaculee's family was brutally murdered during a killing spree that lasted three months and claimed the lives of nearly a million Rwandans. Incredibly, Immaculee survived the slaughter. For 91 days, she and seven other women huddled silently together in the cramped bathroom of a local pastor while hundreds of machete-wielding killers hunted for them. It was during those endless hours of unspeakable terror that Immaculee discovered the power of prayer, eventually shedding her fear of death and forging a profound and lasting relationship with God. She emerged from her bathroom hideout having discovered the meaning of truly unconditional love—a love so strong she was able seek out and forgive her family's killers. The triumphant story of this remarkable young woman's journey through the darkness of genocide will inspire anyone whose life has been touched by fear, suffering, and loss.

All Quiet on the Western Front May 05 2020 Considered by many the greatest war novel of all time, *All Quiet on the Western Front* is Erich Maria Remarque's masterpiece of the German experience during World War I. I am young, I am twenty years old; yet I know nothing of life but despair, death, fear, and fatuous superficiality cast over an abyss of sorrow. . . . This is the testament of Paul Bäumer, who enlists with his classmates in the German army during World War I. They become soldiers with youthful enthusiasm. But the world of duty, culture, and progress they had been taught breaks in pieces under the first bombardment in the trenches. Through years of vivid horror, Paul holds fast to a single vow: to fight against the principle of hate that meaninglessly pits young men of the same generation but different uniforms against one another . . . if

only he can come out of the war alive. “The world has a great writer in Erich Maria Remarque. He is a craftsman of unquestionably first rank, a man who can bend language to his will. Whether he writes of men or of inanimate nature, his touch is sensitive, firm, and sure.”—The New York Times Book Review

The Distance Between Us Nov 03 2022 In this inspirational and unflinchingly honest memoir, acclaimed author Reyna Grande describes her childhood torn between the United States and Mexico, and shines a light on the experiences, fears, and hopes of those who choose to make the harrowing journey across the border. The Antiquities of the Jews Oct 02 2022 *The Antiquities of the Jews* is a 20-volume historiographical work composed by Flavius Josephus in the 13th year of the reign of Roman emperor Flavius Domitian. The book contains an account of history of the Jewish people, written in Greek for Josephus' gentile patrons. In the first ten volumes, Josephus follows the events of the historical books of the Hebrew Bible beginning with the creation of Adam and Eve. The second ten volumes continue the history of the Jewish people beyond the

biblical text and up to the Jewish War. This work provides valuable background material to historians wishing to understand 1st-century AD Judaism and the early Christian period. Titus Flavius Josephus was a first-century Romano-Jewish scholar, historian and hagiographer, who was born in Jerusalem—then part of Roman Judea—to a father of priestly descent and a mother who claimed royal ancestry. He initially fought against the Romans during the First Jewish–Roman War as head of Jewish forces in Galilee, until surrendering in 67 CE to Roman forces led by Vespasian after the six-week siege of Jotapata. After Vespasian became Emperor in 69 CE, he granted Josephus his freedom, at which time Josephus assumed the emperor's family name of Flavius. He fully defected to the Roman side and was granted Roman citizenship. Josephus recorded Jewish history, with special emphasis on the first century CE and the First Jewish–Roman War, including the Siege of Masada. His most important works were *The Jewish War* (c. 75) and *Antiquities of the Jews* (c. 94).

Into the Wild Sep 28 2019 Krakauer's page-turning bestseller explores a famed missing person mystery while unraveling the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. "Terrifying... Eloquent... A heart-rending drama of human yearning." —New York Times In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson McCandless came to die is the unforgettable story of *Into the Wild*. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding—and not an ounce of sentimentality. Mesmerizing, heartbreaking, *Into the Wild* is a tour de force. The power and luminosity of Jon Krakauer's storytelling blaze through every page.

Walk Two Moons Jun 25 2019 In her own singularly beautiful style, Newbery Medal winner Sharon Creech intricately weaves together two tales, one funny, one bittersweet, to create a heartwarming, compelling, and utterly moving story of love, loss, and the complexity of human emotion. Thirteen-year-old Salamanca Tree Hiddle, proud of her country roots and the "Indian-ness in her blood," travels from Ohio to Idaho with her eccentric grandparents.
