Kick Out the Jams Jul 27 2019

The Water Is Wide Oct 29 2019 A "miraculous" (Newsweek) human drama, based on a true story, from the renowned author of *The Prince of Tides* and *The Great Santini* The island is nearly deserted, haunting, beautiful. Across a slip of ocean lies South Carolina. But for the handful of families on Yamacraw Island, America is a world away. For years the people here lived proudly from the sea, but now its waters are not safe. Waste from industry threatens their very existence unless, somehow, they can learn a new way. But they

will learn nothing without someone to teach them, and their school has no teacher—until one man gives a year of his life to the island and its people. Praise for *The Water Is Wide* “Miraculous . . . an experience of joy.”—*Newsweek* “A powerfully moving book . . . You will laugh, you will weep, you will be proud and you will rail . . . and you will learn to love the man.”—*Charleston News and Courier* “A hell of a good story.”—*The New York Times* “Few novelists write as well, and none as beautifully.”—*Lexington Herald-Leader* “[Pat] Conroy cuts through his experiences with a sharp edge of irony. . . . He brings emotion, writing talent and anger to his story.”—*Baltimore Sun*

I Hate People! Nov 03 2022 Face it, whether your company has 10 employees or 10,000, you must grapple with people you can't stand in the office. Luckily Jonathan Littman and Marc Hershon have written *I Hate People!*, a smart, counter-intuitive, and irreverent turn on the classic workplace self-help book that will show you how to identify the Ten Least Wanted -- the people you hate -- while revealing the strategies to neutralize them. Learn to fly right by the "Stop Sign" (nay-sayer) and rise above the pronouncements of the "Know-it-None." *I Hate People!* will teach you how to carve out more time for yourself by becoming a "Soloist" -- one of those bold individuals daring to work alone or collaborate with a handful of other talented people....while artfully deflecting the rest.

Drum Sound and Drum Tuning Nov 30 2019 Drum Sound and Drum Tuning assists drummers, sound engineers, and music students in learning critical skills related to drum sound and achieving an optimised and personalised drum kit set-up. The book covers the essential theories of percussion acoustics and develops this knowledge in order to facilitate creative approaches to drum tuning and professional-level recording and mixing of drums. All aspects of drumhead vibration, drumhead equalisation, and resonant drumhead coupling are de-mystified, alongside discussions relating to drumhead types, drum shell vibration, and tuning to musical intervals for different performance genres. The book develops drum sound theory and creative analysis into a detailed dissection of recording and production techniques specifically for drums, including discussions on studio technologies, room acoustics, microphone techniques, phase coherence, and mixing drums with advanced digital audio workstation (DAW) techniques and creative processing tools. Drum Sound and Drum Tuning includes many practical hands-on exercises that incorporate example tutorials with Logic Pro and iDrumTune Pro software, encouraging the reader to put theory into immediate creative practice and to develop their own listening skills in an informed and reflective manner. The book also documents primary interviews and opinion from some of the world's most celebrated drummers, music producers, and sound engineers, enabling the reader to connect the relevant theories with real-world context, whilst refining their own personalised approach to mastering drum sound.

Dark Nebula Dec 12 2020 Nothing is as it seems anymore. Leery from the horrifying incident at the end of her first year at Guilder Boarding School, Rae Kerrigan is determined to learn more about her new tattoo. Her expectations are high, an easy senior year and a happy reunion with Devon, the boy she's not supposed to date. All hopes of happiness turn into shattered dreams the moment she steps back on campus. Lies and secrets are everywhere, and a betrayal cuts Rae deeply. Among her conflicts and enemies, it appears as if her father is reaching out from beyond the grave to ruin her life. With no one to trust, Rae doesn't know where or who to turn to for help. Has her destiny been written? Or will she become the one thing she hates the most-- her father's prodigy?
